We Will NEVER Copyright Strike Your Content

This is our core promise. All music on Portal Music is permanently free for content creators. We will never file a Content ID claim, issue a copyright strike, or submit a takedown request on any platform — not now, not ever.

What You CAN Do

- Use in YouTube, Twitch, TikTok, Instagram, and all other social media platforms
- Use in podcasts, radio shows, and audio productions
- Use in commercial projects — client work, business presentations, corporate videos
- Use in advertising — TV ads, online ads, radio ads, promotional content
- Use in films, short films, documentaries, and video productions
- Use in games, apps, and interactive media
- Use in live streams, events, and public performances
- Modify, edit, remix, or adapt tracks to fit your content
- Monetize your content freely — all ad revenue from your videos is yours

What You CANNOT Do

- Resell or redistribute the raw audio files as standalone music
- Claim authorship or copyright ownership over the music itself
- Upload to music distribution platforms (Spotify, Apple Music, etc.) as your own original work
- Use in projects promoting illegal, hateful, or harmful content
- Create a competing music library using our tracks

Attribution

- Attribution is NOT required, but always appreciated.
- If you wish to credit us: "Music from Portal Music — portal-music.com"

AI Transparency

Tracks in this library are created with the assistance of AI composition tools and professional production techniques. All music is owned and distributed by Portal Music.

This license is effective upon download. For licensing questions contact creatitproductions@gmail.com
